## JOIN OUR WHATSAPP GROUP

Dear College Freshies,  
Welcome to the comprehensive compilation of notes and study materials that we have meticulously put together to support you in your academic journey. As you embark on this new phase of your college experience, we are excited to share these resources with you to help you excel in your studies.

The primary aim of this document is to provide you with a valuable resource that consolidates key concepts, notes, and study materials across various subjects. Our goal is to support you in your learning process and empower you to achieve academic success.

Within this document, you will find each and every subject and topics of first year covered, including lecture notes, handwritten notes, short notes, playlists, tutorial sheets, Class Tests, previous year papers and even practical files too. Each section is carefully curated to offer a comprehensive overview of the essential information you need to succeed in your coursework.

To make the most of these materials, we recommend using them for revision, exam preparation, and as supplementary study aids. Remember, these resources are here to support you in your academic endeavors.

As you delve into these notes and study materials, remember that you have the potential to achieve great things. Stay focused, stay motivated, and never hesitate to reach out if you need help or guidance. We believe in your abilities and we are here to support you every step of the way.

We hope that this compilation serves as a valuable tool in your academic pursuits and helps you reach your full potential. Best of luck in your studies, and remember that with dedication and perseverance, you can accomplish anything.

Warm regards,  
Nakshatra, The Astronomy and Mathematics Society of NSUT.

# Feedback Form

---

Hello Juniors!!!

As we've compiled resources of every subject of the first year of B.Tech, we want you to give us feedback of our work. Your feedback matters a lot for us. If you find something wrong or missing in Gyansutra, don't hesitate to tell us through this [Form](#) (use NSUT Email Id) or in our [WhatsApp group](#).

Form: <https://forms.gle/NSt3bpF4DiRUqhrZ9>

Whatsapp Group: <https://chat.whatsapp.com/Hx1YLNsfJOJKzw-gAC187Rc>

Now it's your turn to use this masterpiece and excel in your exams. Best of luck to all of you.
